

“Botanical Drawing Revisited” with Tanya Scharaschkin

This one-day workshop will allow those already familiar with botanical drawing to spend a day refreshing their technique and trouble-shooting under Tanya’s guidance. Bring work that you have done since taking Tanya’s Botanical Drawing course to get feedback.

Activities: How the time will be spent

We will have a quick recap of the main techniques of botanical drawing. You will be able to discuss any issues or difficulties you have been facing with your botanical drawing. Bring a specimen of your choice or a work-in-progress and spend the day working on your drawing in the company of others.

Target audience

Anyone who has done the 8-week Botanical Drawing course (at The Colour Circle) or both Beginner and Intermediate courses (in Collinsvale) with Tanya.
